

Environment & Sustainability Policy

COHIZON LIFE SCIENCES LIMITED, is committed to reducing the environmental impact of our activities, preventing pollution, and promoting the sustainability of the natural resources upon which we depend while providing quality products that meet the needs of our customers.

We are also committed to the following:

- Continuous improvement of our environmental performance.
- Meeting or exceeding the requirements of all applicable environmental laws and regulations.

Cohizon expects all its employees to carry out their job responsibilities following this policy and to report any environmental concerns they have to manage. The programs we put in place at our plants meet the ISO45001 systems.
